Project Title: Chemistry Annex Seismic Work 2
Project Location: University of California, Davis
County: Yolo

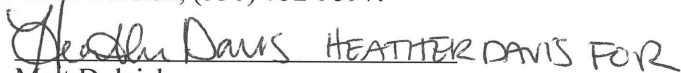

Project Description: The Chemistry Annex Seismic Work 2 Project completes the seismic corrective work needed in the Chemistry Annex, and improve the seismic performance to Level III (“Good”) from its current rating of Level VI. The Chemistry Annex is centrally located on the core UC Davis campus. The building is a five story plus basement. The building contains student and faculty research and teaching laboratory space, laboratory support space, and academic and administrative office and support space. The project proposes to reinforce 43 columns with fiber reinforced polymer in the Basement and Floors 1, 2, and 3. The project would construct eight vertical foundation ties in the basement and additionally a shear wall in the basement and new footings beneath the floor slab. The project includes accessibility improvements in five restrooms as well as the replacement of fume hoods and emergency showers disturbed by seismic work.

This Notice of Determination is to advise that the University of California Lead Agency has approved the above-described project on July 11, 2019 and has made the following determinations:

For an Addendum to an EIR:

1. *Addendum February 2019* to the UC Davis 2018 Long Range Development Plan (LRDP) EIR (SCH# 2017012008) was prepared for this project pursuant to the provisions of CEQA.
2. UC Davis 2018 LRDP EIR sufficiently analyzes and addresses potential environmental impacts from the project, and the project will not trigger any of the criteria requiring additional CEQA review pursuant to CEQA Guidelines Section 15162. The project will not result in new significant impacts or a substantial increase in the severity of the environmental impacts identified in the UC Davis 2018 LRDP EIR.
3. Mitigation measures from the UC Davis 2018 LRDP EIR were made a condition of the approval of the project; no new project-specific mitigation measures are required.
4. The implementation of applicable 2018 LRDP Final EIR mitigation measures will be monitored and reported pursuant to the 2018 LRDP Final EIR’s Mitigation Monitoring and Reporting Program.
5. The previous statement of overriding considerations in the 2018 LRDP Final EIR was reaffirmed for this project.
6. Findings were made pursuant to the provisions of CEQA.

This is to certify that the Addendum February 2019 to the UC Davis 2018 LRDP EIR with comments and responses and record of project approval is available to the general public at: UC Davis Office of Environmental Stewardship and Sustainability, 436 Mrak Hall, University of California, Davis, CA 95616, Attn: Matt Dulcich, (530) 752-9597.
