Project Title: Engineering Student Design Center
Project Location: University of California, Davis
County: Yolo

Project Description: The Engineering and Student Design Center (ESDC) project will renovate existing space and add new construction to the northeast corner of Bainer Hall. The project renovates approximately 10,760 square feet of the existing building and constructs an expansion of approximately 11,850 square feet for a total of 22,610 gross square feet. The ESDC project will expand space for engineering instruction and fabrication, including a welding area, woodworking equipment, exhaust systems, and instructional spaces. The project will include demolition, hazardous materials removal, infrastructure/utilities, landscaping, mechanical, electrical, plumbing, renovations to an existing ADA accessible ramp, and an outdoor student project plaza of approximately 2,500 square feet.

This Notice of Determination is to advise that the University of California Lead Agency has approved the above-described project on August 5, 2020 and has made the following determinations:

For an Addendum to an EIR:

1. *Addendum February 2019* to the UC Davis 2018 Long Range Development Plan (LRDP) EIR (SCH# 2017012008) was prepared for this project pursuant to the provisions of CEQA.
2. UC Davis 2018 LRDP EIR sufficiently analyzes and addresses potential environmental impacts from the project, and the project will not trigger any of the criteria requiring additional CEQA review pursuant to CEQA Guidelines Section 15162. The project will not result in new significant impacts or a substantial increase in the severity of the environmental impacts identified in the UC Davis 2018 LRDP EIR.
3. Mitigation measures from the UC Davis 2018 LRDP EIR were made a condition of the approval of the project; no new project-specific mitigation measures are required.
4. The implementation of applicable 2018 LRDP Final EIR mitigation measures will be monitored and reported pursuant to the 2018 LRDP Final EIR’s Mitigation Monitoring and Reporting Program.
5. The previous statement of overriding considerations in the 2018 LRDP Final EIR was reaffirmed for this project.
6. Findings were made pursuant to the provisions of CEQA.

This is to certify that the Addendum February 2019 to the UC Davis 2018 LRDP EIR with comments and responses and record of project approval is available to the general public at: <https://environmentalplanning.ucdavis.edu/current-projects> or UC Davis Office of Environmental Stewardship and Sustainability, 436 Mrak Hall, University of California, Davis, CA 95616, Attn: Matt Dulcich, (530) 752-9597.
