State Clearinghouse Number: 2019112060
Project Title: Sacramento Campus Parking Structure 4
Project Location: University of California, Davis
County: Sacramento

Project Description:

The project constructs an approximately 369,000 gross square feet parking structure, Parking Structure 4 (PS4), on the northwest corner of existing parking lot 18; the site is located at the northeast corner of 48th Street and X Street. The project would include the following components: construction and operation of a new parking structure with approximately 1,221 parking stalls; removal of the roundabout at the X Street and 48th Street intersection and reconfiguring that intersection; installation of a new traffic signal at the X Street and 48th Street intersection; utility improvements; roadway and landscaping improvements, and bicycle and pedestrian improvements. The project would also include an amendment to the 2010 LRDP for land use changes associated with PS4.

This Notice of Determination is to advise that the University of California Lead Agency has approved the above-described project on September 9, 2020 and has made the following determinations:

For an Addendum to an EIR:

1. *Addendum May 2020* to the UC Davis Sacramento Campus 2010 Long Range Development Plan (LRDP) EIR (SCH# 2009112060) was prepared for this project pursuant to the provisions of CEQA.
2. UC Davis Sacramento Campus 2010 LRDP EIR sufficiently analyzes and addresses potential environmental impacts from the project, and the project will not trigger any of the criteria requiring additional CEQA review pursuant to CEQA Guidelines Section 15162. The project will not result in new significant impacts or a substantial increase in the severity of the environmental impacts identified in the UC Davis 2018 LRDP EIR.
3. Mitigation measures from the UC Davis Sacramento Campus 2010 LRDP EIR were made a condition of the approval of the project; no new project-specific mitigation measures are required.
4. The implementation of applicable 2010 LRDP Final EIR mitigation measures will be monitored and reported pursuant to the 2010 Sacramento Campus LRDP Final EIR’s Mitigation Monitoring and Reporting Program.
5. The previous statement of overriding considerations in the 2010 Sacramento Campus LRDP Final EIR was reaffirmed for this project.
6. Findings were made pursuant to the provisions of CEQA.

This is to certify that the Addendum May 2020 to the UC Davis Sacramento Campus 2010 LRDP EIR with comments and responses and record of project approval is available to the general public at: <https://environmentalplanning.ucdavis.edu/current-projects> or UC Davis Office of Environmental Stewardship and Sustainability, 436 Mrak Hall, University of California, Davis, CA 95616, Attn: Matt Dulcich, (530) 752-9597.
