Project Title: North Addition Office Building

Project Location: University of California Davis Health System

County: Sacramento

Project Description: The proposed North Addition Office Building (North Addition) project involves the construction of an approximately 130,000-gross-square-foot (gsf), six-story, office building immediately north of the UC Davis Health System (UCDHS) Main Hospital in Sacramento. The new building is necessary to provide space for the relocation of hospital administrative units from two seismically deficient structures, the North/South Wing of the Main Hospital and the Housestaff Facility, both of which will ultimately be demolished as part of the project.

This is to advise that the University of California (Lead Agency Responsible Agency) has approved the above-described project on November 19, 2015 and has made the following determinations:

1. The project will have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan was adopted for this project.
5. A Statement of Overriding Considerations was adopted for this project.
6. Findings were made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval is available to the general public at: Office of Resource Management and Planning, 376 Mrak Hall, University of California, Davis, CA 95616, Attn: Sid England, (530) 752-2432.
